16. (Unclassified - GLC) Mr. Chiappa, in the office of Representative Louis C. Wyman, called and requested any information we could provide on the organization of the U.S. Intelligence Board. He has a query from a constituent who is interested in getting information on USIB, the Watch Committee and the National Intelligence Survey. We will provide Mr. Chiappa with a copy of the Agency pamphlet and sufficient information for him to respond to the inquiry.

17. (Unclassified - GLC) Contacted Lee Williams, in the office of Senator Fulbright, regarding the Drew Pearson article which appeared in today's WASHINGTON POST, assuring him that there was no truth to the statements regarding Agency funds. Williams said he had not seen the article but appreciated my call in the event Senator Fulbright should question him about this.

18. (Unclassified - GLC) Contacted Jim Lucier, in the office of Senator Strom Thurmond, regarding the Drew Pearson article which appeared in today's WASHINGTON POST, assuring him that there was no truth to the statements regarding Agency funds. Mr. Lucier had not seen the article and appreciated our contacting him regarding it.

19. (Unclassified - GLC) Called Andy Sommers, AEC, to check on the status of the security review of the transcripts of testimony by representatives of the Livermore and Los Alamos Laboratories before the Joint Committee on Atomic Energy and Senator Gore's Disarmament Subcommittee of Senate Foreign Relations Committee. He said that DOD had made extensive deletions in the Gore transcript but that at the moment both were being held under a confidential classification with no further action to be taken before Monday. Sommers said he would advise us of Mr. Bader's reaction to the suggested omission of Senator Clark's statement in the Gore transcript. In response to my question, Sommers said he needed nothing further from the Agency at this time.

20. (Unclassified - GLC) In response to his request, provided Bill Darden, Senate Armed Services Committee staff, with information concerning the Operations Coordinating Board and the USIB. Darden had received a query from Senator Symington's office on this.
